

VA Skills Assessment

1. What are your current skills (software, hard skills such as typing, research, proofreading, web design, graphic design, customer service, etc.)

2. What are you really good at?

3. What are you just okay at?

4. What do you really enjoy doing (as far as service offerings)? Is what you've listed under this questions also listed in any of the above?

5. What do you really dislike doing? Is what you've listed under this questions also listed in any of the above?

6. What is it you would really like to be good at? Is it possible to learn this without too much aggravation?

7. What is your work history?

8. What is your educational background?

9. Describe *who* you are. Are you aggressive, shy, a quick learner, someone who needs instruction? Etc.
